

## **ICICLE CHASE 23KM ROW**

**on Otonabee River from South of Peterborough to Campbelltown**

**Saturday, October 15, 2011**

**Sponsored by the Quinte Rowing Club**

This event is for all who are looking for an enjoyable row to bring the touring season to a close. The boats will be available for rigging at 9:30 and the first crew will set out at 10:00 am. A safety boat will accompany the crews down the river.

The launch site will be just below the last lock in Peterborough and the race/row will take you south on the river to Campbelltown. This is a nice section of the river and boat traffic should be minimal since we are past the Thanksgiving weekend. Hopefully there will be lots of colour on the trees by then. There will be a BBQ in the parking lot at Campbelltown.

We will use the format of the headraces, starting the boats at intervals and recording their finish times at Campbelltown to determine the overall time to complete the course.

Since we start and finish at different points we will require co-ordination

of vehicles so that we have some at both ends. Once the entries are complete you will be notified of which of 2 sites you will launch from in Peterborough.

**Cost: \$35 per person** - includes seat fee, transportation of the boats and a BBQ.

**Join us for what could be your last row of the season .**
